

# PETER DIGITAL ORCHESTRA

## BIOGRAPHY

PETER DIGITAL ORCHESTRA alias Fulgeance est de retour.  
Après avoir fait vibrer pendant deux ans ses fans de Brest à Détroit en passant par Sofia et Vilnius, Peter Digital revient avec "LOCAL HERO" un maxi énergique qui trouve son inspiration dans la scène "wonky" et la "bass music". Le funk de Peter Digital devient plus lourd, plus gras, moins disco, mais toujours aussi "bumpy" et "breaky". Gentil branleur ou grand provocateur, le french dandy de l'électro à moustache et aux cheveux gominés continue de surprendre les foules par son ego trip en chevauchant en live sa MPC, son arrogance n'ayant d'égale que la qualité de ses compositions léchées (*Jeux de langues* ou *Juicy Lady*).  
Peter Digital n'est pas un dj ! Mais bien un producteur showman hors pair qui prend en live un malin plaisir à torturer et jouer ses tracks en temps réels.  
"LOCAL HERO", déjà playlisté par Kid606, Busy Pet Dj Pone sortira en décembre 2009 sur le label Eklektik Rekords et va réveiller la scène française et internationale. Restez attentifs, car "JUICY LADY" n'était que l'ouverture d'une grande saga qui n'est pas prête de s'arrêter. Accueillez votre "LOCAL HERO" comme il se doit !

PETER DIGITAL ORCHESTRA aka Fulgeance is back.  
After two years of explosive liveshows from Brest to Detroit USA, passing thru Sofia and Vilnius, Peter Digital comes back with a fresh new ep more inspired this time by "wonky" and "bass" music.  
His Funk gets louder and less disco but still bumpy and breaky.  
Someones will say he's a wanker, but this french mustache & greased hair "dandy" just don't stop to surprise the crowd with his ego trip character, and awesome tracks like "Juicy Lady" or "Jeux de Langues", riding like a horse his MPC!  
He's not a dj, he's a poducer, and you know why he's really good? Because he loves, as the crowd love it, to play real time all his tracks, freestylin on bass, beats, synths.  
He's a real musician and a real showman.  
His new "LOCAL HERO" EP on Eklektik Records is already playlisted by Kid606, Busy P, Dj Pone from Birdy Nam Nam and will wake up for sure the french electo scene, that this days seems to get less and less curious.  
Pay attention, because "JUICY LADY" EP was just an opening to a great saga which will grow up and grow up. Get set to welcome your "LOCAL HERO" as he deserves it.
